April 7<sup>th</sup>, 2021

Franklin Monroe Students & Families,

I trust your school year is going well and you are getting the most from your education. I continue to be amazed at all we have been able to accomplish this year. We will begin state testing April 21<sup>st</sup> and plan to finish on May 18<sup>th</sup>. This year, we will be testing with a combination of computer based and paper/pencil testing options. These will be marked on the testing calendar as © for computer or (P) for paper & pencil on the other side of this letter. All tests will be administered in the morning unless otherwise noted on the calendar. During this time, we will administer 11 tests, with 26 testing sessions, approximately 60 students testing each session for just the junior high and high school. Compliance in state testing is quite a daunting task.

As parents, if you would like more information in regards to state testing please visit <http://education.ohio.gov/Parents>. Here you will find a few resources geared specifically to your student's state tests and related articles. As a school we have been preparing for months, but you may visit <http://oh.portal.airast.org/ocba/students-and-families/> for practice tests and sample questions. Accessing the practice tests will increase your comfort with navigating the online tools and resources as well as familiarity with the question design.

Our teachers and staff have been gearing up towards this moment. We hope the amount of time that we have put towards planning and preparing our students will reflect in our district scores. Our testing plan for the next few weeks will provide an atmosphere for our students to be successful, minimize disruptions, and maintain the quality of education our students deserve. On the back of this letter you will find the testing schedule. We will continue to provide our students with quality instruction during this disruption to our regular schedule. If you have questions or concerns please contact your teacher, Mrs. Ayres or Mr. Burgett.

Yours in Education,

PJ Burgett  
Franklin Monroe High School
